## Music for Health Exercise Clinic

By Nancy Truscott, Parish Nurse

Starting this September St. Paul's will be offering a music for health exercise clinic. This program is being run under the leadership of Dr. Corene Hurt-Thaut, a neurologic music therapist at the University of Toronto. Each session will incorporate a spiritual aspect by beginning with prayer and closing with a hymn.

**What:** Eleven sessions will use Neurologic Music Therapy techniques to help improve physical fitness in a fun and supportive environment. These musical exercises can improve balance, strength, endurance, range of motion, as well as decrease risk of falling.

**Who:** The clinic is designed for persons with Parkinson's disease, acquired brain injury, cerebral palsy, multiple sclerosis and the healthy elderly who want to stay fit and reduce their risk of falls. Your physician's approval will be necessary. Participants who use mobility devices must be independent with them.

**How:** Students from Music and Health Science Program are providing sessions under the leadership of Dr. Corene Hurt-Thaut, Neurologic Music Therapist in the Faculty of Music at the University of Toronto.

**When:** Friday mornings from 10 a.m. to 11 a.m., starting on **September 29 to December 15, 2017** (except December 1).

**Where:** St. Paul's Bloor Street in the gymnasium, which has elevator access.

**Cost:** \$10 donation per session. Scholarships are available.

### Summer Booksale

We're collecting used book donations for our summer booksale. If you have books that you no longer need or want, place them in the box in the Atrium.

## Prayer List

### July 16 - This week we pray for:

An end to the many wars and conflicts in the world, so we may all be peace-makers, peace-keepers and peace-builders.

All victims of circumstances beyond their control, so that all may live in peace, with respect.

Everyone gathered today to worship in the Anglican Diocese of Kootenay in southeastern British Columbia.

Those serving as offering counters.

The following members of our community: Douglas, Danning, Yan, Jinseok, Taeseong, Dan, Cheryl, Margaret, Rodney, Peggy.

### Prayer during our sermon series:

Lord, thank you for the beauty of the windows that surround us as we worship you. Thank you for the incredible gifts and talents you gave to those who recreated your word for us in picture form. May we appreciate the talents you have given to others, always recognizing that they come from you and remain yours. Guide us as we examine the stories these windows tell and open our hearts and minds as we study them. In Jesus name we pray, Amen.
